

# UAE Labour Law

## Key Aspects and Free Zones Special Regulations

There is no topic more current than labour law. Indeed, this is true with companies facing employment-related matters and issues on a daily basis, from the formation of the contracts to the relevant termination procedures.

During the seminar the speakers Pietro Vitale and Marco Mennella will focus on:

- » Essential and ancillary/commercial elements to be taken into account in the preparation and negotiation of the labour contract;
- » Termination of the labour contact and relevant consequences;
- » Application and co-ordination of certain Free Zone special regulations with the UAE Federal Labour Law;
- » Highlights on New Labour Law.
