The law firm scoops three awards

Milan, January 26, 2024 - International law firm Gianni & Origoni was a multi-winner at the 2023 Legalcommunity Energy Awards. The firm received three awards: "Law Firm Of The Year Regulatory Antitrust" as well as "Thought Leadership" and "Lawyer of the Year Lng" both attributed to Giuseppe Velluto.

The ceremony, held in Milan, was an opportunity to celebrate the excellences of the legal market active in the energy and infrastructure sectors.

Now in its eleventh edition, the event tributes those excellences, both individuals and teams, which during the year distinguished themselves most for reputation and activity in this field.

The jury motivated the award as follows:

Law Firm of the Year Regulatory Antitrust
