by the Chambers & Partners Legal directory*

Madrid, April 20th, 2018 – The international law firm Gianni, Origoni, Grippo, Cappelli & Partners was awarded “Client Service Law Firm of the Year” for Italy by the legal directory Chambers Europe. The award was announced during the annual “Chambers Europe Awards 2018” ceremony which was held in Madrid and was attended by members of the international legal community.

Among the numerous international awards, this is considered among the most prestigious as it is issued by Chambers, a leading legal directory whose annual process is conducted by independent researchers culminating in a ranking of the top-tier law firms and identifying, on a country by country basis, the law firm that distinguishes itself for its outstanding work.

Already winner of last year’s “Law Firm of the Year” for Italy, this year Chambers awarded Gianni, Origoni, Grippo, Cappelli & Partners with a special accolade focused on client service.

The motivation for this awards states: “Clients praise this next winner’s flexibility and availability and consistent high quality of work. One client praises the team’s ‘broad comprehension of all the softer issues around the deal’ and that the ‘lawyers work very well on each and every aspect of the matter”.
