

Giuseppe Loffreda joins Gianni, Origoni, Grippo, Cappelli & Partners

*The firm continues its growth strategy and strengthens its activity
in Shipping, Aviation and Transportation law*

Rome, October 2, 2015 - The international law firm Gianni, Origoni, Grippo, Cappelli & Partners announces the hire of Partner Giuseppe Loffreda who joined the Rome office on October 1st. Giuseppe's arrival will further strengthen the firm's offering in Shipping, Aviation and Transportation law.

Giuseppe's career has always been centred on the field of Shipping, Aviation and Transportation and he has amassed a wealth of knowledge and expertise through diversified experience in this sector. He assists sea and air transport companies, financial institutions, wet lease airline operators, port terminals, airport managers, shipyards, shipping brokers, covering all matters regarding Italian, EU and international shipping and transportation (sea and air), in the contentious and non-contentious arenas.

Giuseppe joins from Legance – Avvocati Associati where he headed the Shipping, Aviation and Transportation law practice. His previous appointments included his earlier years with Gianni, Origoni, Grippo & Partners and Studio Legale Raimondi, a boutique firm exclusively dedicated to Shipping law.

He is a frequent speaker at conferences and University post-graduate courses as well as an established author in his field.

He is a member of I.S.DI.T (an Italian institution that promotes the study of shipping law) as well as a member of the editing committee of a specialist magazine on shipping and maritime law.

"We are delighted to have Giuseppe back in our firm," states Rosario Zaccà, Managing Partner of Gianni, Origoni, Grippo, Cappelli & Partners. "The shipping sector is extremely buoyant at the moment and to have an outstanding expert such as Giuseppe join our team will benefit the service we offer our clients in this field."

"I am both thrilled and honoured to return to Gianni, Origoni, Grippo, Cappelli & Partners and to work once again with many friends and colleague", adds Giuseppe Loffreda. "The will and commitment to further reinforce our services in the areas of shipping, aviation and transportation is tied in with economic progress, the growth of air and sea transport as well as with the upcoming approval of important regulations such as the national programme regarding the port and logistics industries."

Notes to Editor:
